## ABOUT THE NEW ZEALAND CHAMBERS OF COMMERCE NETWORK

New Zealand Chambers of Commerce is the umbrella organisation serving the interests of 29 Chambers of Commerce across the country. Together our Chamber network represents over 20,000 businesses around the country including sole traders, small-medium enterprises, and some of the largest businesses in New Zealand.

As the ultimate success network for business, our members are active in their business environment both nationally and internationally. Each Chambers' role is to influence and inspire business and deliver success. As not-for-profit business membership associations, the New Zealand Chambers of Commerce promote, support and encourage sustainable, profitable business growth.

Chambers do this by positively influencing the environment in which businesses operate, by providing training, advice, information and support. The New Zealand Chambers of Commerce also act as a voice and advocate to assist members; and the range of opportunities, products, services and savings available as part of membership, a support businesses in their growth and success.

The Chamber is seen as a credible source of knowledge and information for other organisations, due to our long standing position in the community. The Chambers enjoy close relationships with industry bodies within the local and national business communities including government, institutions, other associations and the media.

New Zealand Chambers of Commerce are divided into four hubs: Northern, Central, Canterbury and Southern; and affiliated with Chambers internationally through the International Chamber of Commerce, providing members with access to the largest business network in the world.

## **HOW THE NETWORK WORKS**

The organisation is a network of chambers, rather than an organisation in and of itself. There is no enational officeq The country is divided into four regional hubs, and hub meetings are a regular ongoing way to facilitate NZCCI activity. Each of the four metropolitan chambers, (Auckland, Wellington, Canterbury and Otago) act as secretariat for each of the hub regions.

The four groupings are set out as follows:

- 1. situated in the North Island regions north of a line drawn from New Plymouth to Gisborne (including Gisborne City but excluding New Plymouth City), elected by that Group of Members
- situated in the North Island regions south of a line drawn from New Plymouth to Gisborne (excluding Gisborne City but including New Plymouth), elected by that Group of Members.
- 3. situated in the South Island region north of the Waitaki River, and on the West Coast, elected by that Group of Members
- situated in the South Island region south of the Waitaki River, elected by that Group of Members

There is some resource provided for through affiliation fees, which enable the appointment of a board Secretariat, who conducts the administration of the association financial and policy functions. Wellington is responsible for these activities. There is also provisions for International trade documentation support, which is serviced by Auckland. In addition to this Auckland also provides some support for National Sponsorship arrangements, which each individual Chamber has a contracts with each national alliance partner.

## **NEW ZEALAND CHAMBERS OF COMMERCE BOARD**

The board is made up on nine appointed representatives, one non-executive member appointed from each of the four regions, each of the four chief executive officers from the main metropolitan chambers (Auckland, Wellington, Canterbury and Otago), and one member who is appointed at large by the association (9th member).

### NZCCI BOARD MEETINGS

The board meets four times a year, and generally three meetings held in Wellington and one meeting held at the Annual Conference following the Annual General Meeting

### NZCCI MANGEMENT COMMITTEE

The board has one standing subcommittee, which is the <code>management</code> committeed On this committee sits the four main metropolitan chambers CEOs and by invitation the NZCCI 9th member. These meetings are held prior to the board meeting.
